IMPORTANT-Curriculum Meetings

4th September 2018

Dear parent/guardian,

You are invited to attend the Curriculum Meetings outlined below. These Curriculum Meetings are designed to provide your child's teacher with an opportunity to share the contents of the curriculum and their expectations in relation to attention to class and homework. It will also cover the importance of developing positive attitudes to learning and demonstrating self-discipline whilst working independently and with others.

We feel it is important that all parents receive the same information about the teaching and learning that goes on in school on a daily basis. You will also be provided with some suggestions on how you can support your child to reach and maximise his/her full potential.

It is our policy to contact parent's as soon as concerns arise in relation to progress and development. If the class teacher does not contact you to arrange an individual meeting, you can assume your child is working as expected in school and is giving no cause for concern. Likewise, if you have any concerns please do not hesitate to contact the class teacher at the earliest opportunity.

The curriculum meetings will take place in your child's classroom and will start and end promptly at the times specified.
