

Welcome to Primary 6!

It is fantastic to have everyone back together for the beginning of our new school year. I hope that the year will run as smoothly as it possibly can and will be a healthy, happy and productive one for everyone.

Please find below some information that will help you support your child in their learning and in the year ahead.

Homework

Please ensure you establish a good homework routine with your child at home. Your child may need some support with their homework; however, it is important that as the year progresses, your child becomes more independent in completing written tasks.

It is important that your child has a quiet place to complete their homework away from **all distractions**.

Please check their work, ensuring it is accurate and presented neatly.

P6 Children will have:

Reading homework every night - Monday – Thursday

Spelling homework every night - Monday – Thursday

Two Mental Arithmetic (M.A) homework's per week - Monday and Wednesday

Two Literacy homework's per week -Tuesday and Thursday

Mathletics – 10mins every night- tasks will be assigned weekly to your child based on their ability level.

I will print out your child's Mathletics certificates and display them for the month in our classroom. I will take a photograph of the children who have received their certificates and put it on the website at the end of the month and then children can take them home.

On a Friday we will complete a 'Show me what you know' activity which will consist of 10 out of the 20 spellings of the week chosen by me at random. I will also choose 10 numeracy questions based on what we have been learning about in school that week.

ICT - every Wednesday Afternoon 1-3pm

SWIMMING - every Thursday in Foyle Arena 10.30-11.00 (14th March-30th May 2024)

P.E - Term 1 - every Monday **Gaelic** with Eoghan from 2-2.50pm starting 18th Sept 2023

Term 2- every Tuesday **Ryan McBride** (soccer) from 1pm to 2pm starting from Tuesday 9th January 2024-finish 12th March 2024

Mrs Barrett

I post a lot of Class content to the school website so it would be beneficial to download the Schools NI App and Select Chapel Road Primary School to keep up to date with what is happening in class.

Please ensure that you download the Schools NI App which is linked to our website. Click on the ? on the app and ensure that notifications are turned on.

Many thanks,

Mrs C.Barrett
