Principal: Mrs. Mary Bacheta

We are looking forward to celebrating everything to do with Autumn and Halloween over the next few weeks. Please read and keep this letter for your reference. Also keep checking the website for updates and class news.

REMINDER SCHOOL CLOSURES

School closing at **12 noon on Tuesday 30th October** for our Halloween holidays. Children return to school on Monday 5th November 2018.

LOST AND FOUND

A large number of coats were left behind in the cloakroom in June. If you think your child's coat is missing, please call in and check if it is here. We have also asked the children to pass this message on as we cannot hold onto these coats for much longer. Any coats not collected by Halloween will be sent to a local charity shop.

CONSENT FORMS

Please return the consent forms sent out as soon as possible. See website for more details.

Keep Calm and come to our Christmas Fair

Get into the spirit of Christmas and start Christmas early with us on the 15th November 2018 at 6.00pm until 8.00pm.

Everyone agreed that our fair last year was a roaring success and the children had so much fun. Alongside all this we will be preparing for our whole school show which we will keep a surprise until closer to the time.

BOOK A STALL NOW!

We are looking for anyone who would like to book a stall at the fair. Please contact the office. Tables are £10 each. Book early to secure a slot.

Shared Education

We have secured another year of PEACE IV funding and are continuing our close partnership with Oakgrove IPS, Culmore PS and Ashlea PS. This means that during the year our children will engage in a range of activities that involve shared learning and developing peace and reconciliation. The programme was a great success last year and we hope that everyone continues to enjoy the opportunities this partnership brings.

SCHOOL ENHANCEMENT PROGRAMME

We have also secured funding to carry out substantial building works over the next few years. We are currently in the process of developing a business plan and in meetings to ensure we get the best outcome for our needs. This piece of work will be a fantastic opportunity to repair our school building, which over the years, has begun to show signs of its age. We are very excited about this and will keep you informed of the progress.

SCHOOL WEBSITE/FACEBOOK PAGE

Please download the website app onto your phone so that you receive texts from the school.

The app is called Schools NI. Contact the office if you have any questions about this service.

We also use Facebook on a regular basis. These are our main methods of contacting parents. We are trying to move away from paper copies of letters/notes and become more ECO friendly.

Thank you for your continued support in all that we do.

Kind Regards
Mrs. Bacheta and staff
